## WHAT IS IT?

At its heart, Agile is about people, and the key to making it work is improving and deepening the interactions between everyone involved. Agile Relationship Coaching is a tailored approach designed to help create outstanding Agile Teams. Available from anywhere in the world, for any relationships whatever stage they are at.

## WHO IS IT FOR?

Any relationship within an Agile or Scaled Agile Environment! Including Scrum Master / Product Owner Pairs, Agile Leadership Teams, External Stakeholders, Analysis / Development / Tester groups, even whole Agile Scrum Teams

## WHAT CAN IT HELP WITH?

There are many aspects we can help remedy and improve

- Team Formation
- Alignment on Common Purpose
- Effective use of agile tooling
- Resolving Conflict
- Remote and Hybrid Working
- Maximising Engagement
- Going beyond Agile Basics
- Leading Agile Transformations

## HOW DOES IT WORK?

Simply book an initial discovery chat. If, after that you think we can work together, schedule three initial 1 hour sessions. These can be flexible international timings over Zoom, MS Teams or Google Meetups. Attend your coaching sessions, setting your goals and begin to improve and deepen your agile relationships. Option to continue
